*"A tingling, misty marvel  
Blew hither in the night,  
And now the little peach-trees  
Are clasped in frozen light.  
Upon the apple-branches  
An icy film is caught,  
With trailing threads of gossamer  
In pearly patterns wrought.  
The autumn sun, in wonder,  
Is gayly peering through  
This silver-tissued network  
Across the frosty blue.  
The weather-vane is fire-tipped,  
The honeysuckle shows  
A dazzling icy splendor,  
And crystal is the rose."  
- Evaleen Stein, November Morning*
