## REGULAR MEETING BOARD OF EDUCATION

CENTER MORICHES, NY  
JULY 11, 2012

The Board of Education, Center Moriches Union Free School District, held a Regular Meeting in the Board Room on Wednesday, July 11, 2012 immediately following the Reorganization Meeting. Those present were Board Members Joseph W. McHeffey, Wendy R. Turkington, Daniel Finnegan, Thomas R. Hogan and Heather Schaub-Magill; Superintendent Russell J. Stewart, Business Official Carol M. Perkins, District Treasurer Diane M. Smith and District Clerk Patricia A. Galietta.

President McHeffey called the Regular Meeting to order at 7:15 p.m. There were 10 visitors present.

1. **Superintendent's Report** – Business Official Carol M. Perkins reported to the Board that the refunding of the District bonds will result in a savings of 1.2 million dollars over the nine years remaining due to the lower interest rates.
2. **Legislative Report** – Mrs. Turkington reported on new changes in special education placement under consideration in Albany which will require that home life and cultural environment be taken into account during placement and could result in additional unfunded mandates for the district.

On motion by Mr. McHeffey, seconded by Mrs. Turkington and carried 5-0, the Board of Education passed the following resolution:

**WHEREAS**, a last minute legislative effort has resulted in passage of a bill that would heap new financial and administrative burdens on our school districts by requiring Committees on Special Education to, upon a parent request, take a student's home life and cultural environment into account within 90 days when making a special education placement and require reimbursement of tuition within 30 days of an approved placement.

And **WHEREAS**, The bill may well violate federal IDEA requirements and according to the Poughkeepsie Journal, "leave local school districts exposed to a myriad of lawsuits and soaring special educational costs."

And **WHEREAS**, this legislation came without sufficient time for due consideration, leaving schools blindsided with new costs after their budgets were decimated to stay under the tax cap.

And **WHEREAS**, the legislation leaves districts with high ethnic and religious populations subject to outlandish parental demands, jeopardizing funds budgeted for other special education students and the general education population of the district; ignoring the fact that under the tax cap, unexpected funds must be taken from existing programs and services, hurting other students.

And **WHEREAS**, there are better ways to make sure that parents don't wait too long for reimbursement when it's found to be warranted, streamlining how placement challenges are settled and being culturally sensitive when making placements. Allowing parents to demand private school placement when an appropriate public school program exists is detrimental to other students and the taxpaying communities that support our schools.

And **WHEREAS**, if the State of New York believes this is appropriate, it needs to provide the funding from its larger tax base and not expect local taxpayers to pay for a program that is not based on educational concerns.

2. **Legislative Report (continued)**

And **WHEREAS**, the bill is legally flawed, as Committees on Special Education do not have the authority to reimburse parents for private, unapproved placements within 30 days as required under the bill. They may only do so only when directed by a hearing officer.

And **WHEREAS**, this amounts to New York State’s first voucher program and one for only the wealthy, as only wealthy parents can afford to pay private, non-approved tuition payments and wait for reimbursement.

And **WHEREAS**, this is a voucher program intended to segregate our children. New York State has always been a leader in integrating all of our children, irrespective of race, culture or special needs. Now, we are not only allowing a return to segregation, we are encouraging it by paying wealthy parents to use high cost, private services based on culture and not the appropriate educational services needed by the student, depriving them of the advantages of a shared social experience. .

Therefore, be it **RESOLVED** that the Board of Education calls on Governor Andrew Cuomo to veto this onerous and inappropriate legislation.

3. **Minutes** – On motion by Mrs. Turkington, seconded by Mr. Finnegan and carried 5-0, the Board of Education voted to approve the following minutes as submitted:

Regular Meeting of June 20, 2012
