Dear Parents/Guardians,

Hello! My name is Heather Dawley and I am thrilled to be your child's first grade teacher! First grade is a very exciting year filled with tremendous growth both academically and socially. I look forward to helping your child grow to become a lifelong learner. Our classroom is a comfortable environment where your child can flourish and dive deep into learning and fun!

Literacy instruction is at the core of our first grade curriculum and we will embark on many reading and writing opportunities. We will also foster a love of learning and reading through other content areas such as math, science, and social studies! My hope is that you will join me in sharing this love of learning at home!

The parent/teacher connection is a very important one. My belief is that communication between parents and teachers makes a successful child! Please feel free to contact me with any questions or concerns you may have via e-mail at: [hdawley@cmschools.org](mailto:hdawley@cmschools.org). You can also reach me by calling Clayton Huey at (631) 878-0052 or sending in a note with your child once we begin school!

I know we will have an amazing, productive year! I look forward to meeting you and working with you to make first grade a wonderful experience for your child! Best wishes for a happy, healthy, and safe summer!

Warmly,

Mrs. Dawley ☺
