On motion by Mr. Foster, seconded by Mrs. Dench and carried 5-0, the Board voted to adjourn the Executive Session and return to the Regular Meeting at 6:40 p.m.

1. **Superintendent's Report**

- 2020-2021 Budget Workshop #7 – Dr. Masera and Ms. Loughlin reported on the progress of the budget process. The Governor has not made state-aid numbers available as of yet, and planning the budget is made more difficult because districts do not know what the educational process will look like in the fall. Reopening committees are meeting on the local, county and state levels and will be planning for educational flexibility with scheduling unknowns, transportation costs, facility cleaning costs and maintaining safety measures for students and staff. Ms. Loughlin reported that the district did realize some savings, because of the closing of schools, in transportation, athletics and salaries, but revenue in tuition, interest and other items, was down and will result in the district needing to make reductions to balance revenues and expenses. The Board will meet on May 19th to adopt the budget.

2. **Dates to Remember**

- The next Board of Education meeting will be on May 19, 2020 at 7:30 P.M.

On motion by Mrs. Dench, seconded by Mr. Babzien and carried 5-0, the Board of Education voted to adjourn the virtual Regular Meeting at 7:58 p.m.

Respectfully submitted,

Patricia A. Galietta
District Clerk
